

MONTAGEVEJLEDNING - ELEKTRISK PLISSÉGARDIN

INSTALLATION MANUAL - ELECTRIC PLEATED BLIND

DK/NO/SE: Placér beslagene på karm (a) eller væg (b), med ét i hver ende, så yderligt som muligt, så de er fri fra topskinnens snore. Fordel de resterende beslag jævnt. Husk evt. ekstra afstand til ventilation. **EN:** Place the brackets on the window frame (a) or wall (b), with one at each end, as close to the edges as possible, ensuring they are clear of the top track cords. Distribute the remaining brackets evenly. Remember extra space for ventilation if necessary.
